The following is a brief description of our organisation and the type of work / activities we undertake with children:

We are an Anglican church within the Church of England and, as a part of what we do, we work with children. We have a regular Junior Church which covers from Preschool to Year 13. In addition to our regular Sunday based Junior Church we also run activities in the week for children which cover the ages above. Other ad hoc and social occasions take place as appropriate for the age of the group i.e. a Teddy Bears Picnic or a Bowling Night.

Our commitment

As a PCC we recognise the need to provide a safe and caring environment for children, young people and vulnerable adults. We acknowledge that children, young people and vulnerable adults can be the victims of physical, sexual and emotional abuse, and neglect. We accept the UN Universal Declaration of Human Rights and the International Covenant of Human Rights, which states that everyone is entitled to “all the rights and freedoms set forth therein, without distinction of any kind, such as race, colour, sex, language, religion, political or other opinion, national or social origin, property, birth or other status”. We also concur with the Convention on the Rights of the Child which states that children should be able to develop their full potential, free from hunger and want, neglect and abuse. They have a right to be protected from “all forms of physical or mental violence, injury or abuse, neglect or negligent treatment or exploitation, including sexual abuse, while in the care of parent(s), legal guardian(s), or any other person who has care of the child.” As a PCC we have therefore adopted the procedures set out in this safeguarding policy in accordance with statutory guidance. We are committed to build constructive links with statutory and voluntary agencies involved in safeguarding.

The policy and attached practice guidelines are based on the ten **Safe and Secure** safeguarding standards published by the Churches' Child Protection Advisory Service (CCPAS) and prepared in consultation with the Church of England national Guidelines on Safeguarding.

The PCC undertakes to:

- endorse and follow all national and local safeguarding legislation and procedures, in addition to the international conventions outlined above.

- provide on-going safeguarding training for all its workers and will regularly review the operational guidelines attached.

- ensure that the premises meet the requirements of the Disability Discrimination Act 1995 and all other relevant legislation, and that it is welcoming and inclusive.

- support the Safeguarding Coordinator(s) in their work and in any action they may need to take in order to protect children and vulnerable adults.

- file a copy of the policy and practice guidelines with CCPAS and the local authority (Cheshire East Council) and any amendments subsequently published. The PCC agrees not to allow the document to be copied by other organisations.

SECTION 2

Recognising and responding appropriately to an allegation or suspicion of abuse

Understanding abuse and neglect

Defining child abuse or abuse against a vulnerable adult is a difficult and complex issue. A person may abuse by inflicting harm, or failing to prevent harm. Children and adults in need of protection may be abused within a family, an institution or a community setting. Very often the abuser is known or in a trusted relationship with the child or vulnerable adult.

In order to safeguard those in our places of worship and organisations we adhere to the UN Convention on the Rights of the Child and have as our starting point as a definition of abuse, Article 19 which states:

- 1. States Parties shall take all appropriate legislative, administrative, social and educational measures to protect the child from all forms of physical or mental violence, injury or abuse, neglect or negligent treatment, maltreatment or exploitation, including sexual abuse, while in the care of parent(s), legal guardian(s) or any other person who has the care of the child.*
- 2. Such protective measures should, as appropriate, include effective procedures for the establishment of social programmes to provide necessary support for the child and for those who have the care of the child, as well as for other forms of prevention and for identification, reporting, referral, investigation, treatment and follow-up of instances of child maltreatment described heretofore, and, as appropriate, for judicial involvement.*

Also for adults the UN Universal Declaration of Human Rights with particular reference to Article 5 which states:

No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment.

Detailed definitions, and signs and symptoms of abuse, as well as how to respond to a disclosure of abuse, are included here in our policy.

- Definitions of abuse: Physical, Emotional or Sexual Abuse or Neglect – see APPENDIX 3 for definitions of these
- Signs and symptoms of abuse – see APPENDIX 4
- How to respond to a child wishing to disclose abuse – see APPENDIX 4

Safeguarding awareness

The PCC is committed to on-going safeguarding training and development opportunities for all workers, developing a culture of awareness of safeguarding issues to help protect everyone. All our workers will receive induction training and undertake recognised safeguarding training on a regular basis through the Diocese of Chester.

The PCC will also ensure that children and vulnerable adults are provided with information on where to get help and advice in relation to abuse, discrimination, bullying or any other matter where they have a concern.

RESPONDING TO ALLEGATIONS OF ABUSE

Under no circumstances should a worker carry out their own investigation into an allegation or suspicion of abuse. Following procedures as below:

The person in receipt of allegations or suspicions of abuse should report concerns as soon as possible to Revd Mike Turnbull (Rector) (hereafter the "Safeguarding Co-ordinator") tel no: 01270 665742 who is nominated by the PCC to act on their behalf in dealing with the allegation or suspicion of neglect or abuse, including referring the matter on to the statutory authorities. In the absence of the Safeguarding Co-ordinator or, if the suspicions in any way involve the Safeguarding Co-ordinator, then the report should be made to Joy Chaplow (hereafter the "Deputy ") tel no 01270 747908. If the suspicions implicate both the Safeguarding Co-ordinator and the Deputy, then the report should be made in the first instance to the Churches' Child Protection Advisory Service (CCPAS) PO Box 133, Swanley, Kent, BR8 7UQ. Telephone 0845 120 4550. Alternatively contact Social Services or the police.

Where the concern is about a child the Safeguarding Co-ordinator should contact Children's Social Services. Where the concern is regarding an adult in need of protection contact Adult Social Services or take advice from CCPAS as above.

The local Children's Social Services office telephone number (office hours) is the Children's Assessment Team (Cheshire East) on 0300 123 5012. The out of hours emergency number is 0300 123 5022.

The local Adult Social Services office telephone number (office hours) is 0300 123 5010. The out of hours emergency number is 0300 123 5010.

The Police Child Protection Team telephone number is 101.

Where required the Safeguarding Co-ordinator should then immediately inform the insurance company and the Diocesan Safeguarding Officer
Name: Pauline Butterfield 01928-718834 Ext 221 or
email pauline.butterfield@chester.anglican.org

Suspicions must not be discussed with anyone other than those nominated above. A written record of the concerns should be made in accordance with these procedures and kept in a secure place.

Whilst allegations or suspicions of abuse will normally be reported to the Safeguarding Co-ordinator, the absence of the Safeguarding Co-ordinator or Deputy should not delay referral to Social Services, the Police or taking advice from CCPAS.

The PCC will support the Safeguarding Co-ordinator/Deputy in their role, and accept that any information they may have in their possession will be shared in a strictly limited way on a need to know basis.

It is, of course, the right of any individual as a citizen to make a direct referral to the safeguarding agencies or seek advice from CCPAS, although the PCC hope that members of the place of worship / organisation will use this procedure. If, however, the individual with the concern feels that the

Safeguarding Co-ordinator/Deputy has not responded appropriately, or where they have a disagreement with the Safeguarding Co-ordinator(s) as to the appropriateness of a referral they are free to contact an outside agency direct. We hope by making this statement that the PCC demonstrate its commitment to effective safeguarding and the protection of all those who are vulnerable.

The role of the safeguarding co-ordinator/ deputy is to collate and clarify the precise details of the allegation or suspicion and pass this information on to statutory agencies who have a legal duty to investigate.

Detailed procedures where there is a concern about a child:

ALLEGATIONS OF PHYSICAL INJURY, NEGLECT OR EMOTIONAL ABUSE

If a child has a physical injury, a symptom of neglect or where there are concerns about emotional abuse, the Safeguarding Co-ordinator/Deputy will:

Contact Children's Social Services (or CCPAS) for advice in cases of deliberate injury, if concerned about a child's safety or if a child is afraid to return home.

Not tell the parents or carers unless advised to do so, having contacted Children's Social Services.

Seek medical help if needed urgently, informing the doctor of any suspicions.

For lesser concerns, (e.g. poor parenting), encourage parent/carer to seek help, but not if this places the child at risk of significant harm.

Where the parent/carer is unwilling to seek help, offer to accompany them.

In cases of real concern, if they still fail to act, contact Children's Social Services direct for advice.

Seek and follow advice given by CCPAS (who will confirm their advice in writing) if unsure whether or not to refer a case to Children's Social Services.

ALLEGATIONS OF SEXUAL ABUSE

In the event of allegations or suspicions of sexual abuse, the Safeguarding Co-ordinator/Deputy will:

Contact the Children's Social Services Department Duty Social Worker for children and families or Police Child Protection Team direct. They will NOT speak to the parent/carer or anyone else.

Seek and follow the advice given by CCPAS if, for any reason they are unsure whether or not to contact Children's Social Services/Police. CCPAS will confirm its advice in writing for future reference.

The following procedure will be followed where there is a concern that an adult is in need of protection:

SUSPICIONS OR ALLEGATIONS OF PHYSICAL OR SEXUAL ABUSE

If a vulnerable adult has a physical injury or symptom of sexual abuse the Safeguarding Co-ordinator/Deputy will:

Discuss any concerns with the individual themselves giving due regard to their autonomy, privacy and rights to lead an independent life.

If the vulnerable adult is in immediate danger or has sustained a serious injury contact the Emergency Services, informing them of any suspicions.

For advice contact the Adult Social Care Vulnerable Adults Team who have responsibility under Section 47 of the NHS and Community Care Act 1990 and government guidance, 'No Secrets', to investigate allegations of abuse. Alternatively CCPAS can be contacted for advice.

ALLEGATIONS OF ABUSE AGAINST A PERSON WHO WORKS WITH CHILDREN

If an accusation is made against a worker (whether a volunteer or paid member of staff) whilst following the procedure outlined above, the Safeguarding Co-ordinator, in accordance with Local Safeguarding Children Board (LSCB) procedures will need to liaise with Children's Social Services in regards to the suspension of the worker, also making a referral to a Safeguarding Adviser (SA) / Local Authority Designated Officer (LADO).

SECTION 3

Prevention

Safe recruitment

The PCC will ensure all workers will be appointed, trained, supported and supervised in accordance with government guidance on safe recruitment. This includes ensuring that:

There is a written job description / person specification for the post

Those applying have completed an application form and a self declaration form

Those short listed have been interviewed

Safeguarding has been discussed at interview

Written references have been obtained, and followed up where appropriate

A disclosure and barring check has been completed (we will comply with Code of Practice requirements concerning the fair treatment of applicants and the handling of information)

Qualifications where relevant have been verified

A suitable training programme is provided for the successful applicant

The applicant has completed a probationary period

The applicant has been given a copy of the organisation's safeguarding policy and knows how to report concerns.

Management of Workers – Codes of Conduct

As a PCC we are committed to supporting all workers and ensuring they receive support and supervision. All workers have been issued with a code of conduct towards children, young people and vulnerable adults. The PCC undertakes to follow the principles found within the 'Abuse Of Trust' guidance issued by the Home Office and it is therefore unacceptable for those in a position of trust to engage in any behaviour which might allow a sexual relationship to develop for as long as the relationship of trust continues.

SECTION 4

Pastoral Care

Supporting those affected by abuse

The PCC is committed to offering pastoral care, working with statutory agencies as appropriate, and support to all those who have been affected by abuse who have contact with or are part of the place of worship / organisation.

Working with offenders

When someone attending the place of worship / organisation is known to have abused children, or is known to be a risk to vulnerable adults the PCC will supervise the individual concerned and offer pastoral care, but in its safeguarding commitment to the protection of children and vulnerable adults, set boundaries for that person which they will be expected to keep.

SECTION 5

Practice Guidelines

As an organisation working with children, young people and vulnerable adults we wish to operate and promote good working practice. This will enable workers to run activities safely, develop good relationships and minimise the risk of false accusation.

As well as a general code of conduct for workers we also have specific good practice guidelines for every activity we are involved in and these are attached/will be developed.

Working in Partnership

The diversity of organisations and settings means there can be great variation in practice when it comes to safeguarding children, young people and vulnerable adults. This can be because of cultural tradition, belief and religious practice or understanding, for example, of what constitutes abuse.

We therefore have clear guidelines in regards to our expectations of those with whom we work in partnership, whether in the UK or not. We will discuss with all partners our safeguarding expectations and have a partnership agreement for safeguarding. It is also our expectation that any organisation using our premises, as part of the letting agreement will have their own policy that meets CCPAS' safeguarding standards.

Good communication is essential in promoting safeguarding, both to those we wish to protect, to everyone involved in working with children and vulnerable adults and to all those with whom we work in partnership. This safeguarding policy is just one means of promoting safeguarding.

APPENDIX 3

Definitions of Abuse

The four definitions of abuse below operate in England based on the government guidance 'Working Together to Safeguard Children (2010)'.

What is abuse and neglect?

Abuse and neglect are forms of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community setting, by those known to them or, more rarely, by a stranger for example, via the internet. They may be abused by an adult or adults, or another child or children.

Physical abuse

Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

Emotional abuse

Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development.

It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyberbullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

Sexual abuse

Sexual abuse involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

Neglect

Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

- provide adequate food, clothing and shelter (including exclusion from home or abandonment);
 - protect a child from physical and emotional harm or danger;
 - ensure adequate supervision (including the use of inadequate care-givers); or
 - ensure access to appropriate medical care or treatment.
- It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

APPENDIX 4

Signs of Possible Abuse (children & young people)

The following signs could be indicators that abuse has taken place but should be considered in context of the child's whole life.

Physical

Injuries not consistent with the explanation given for them
Injuries that occur in places not normally exposed to falls, rough games, etc
Injuries that have not received medical attention
Reluctance to change for, or participate in, games or swimming
Repeated urinary infections or unexplained tummy pains
Bruises on babies, bites, burns, fractures etc which do not have an accidental explanation*
Cuts/scratches/substance abuse*

Sexual

Any allegations made concerning sexual abuse
Excessive preoccupation with sexual matters and detailed knowledge of adult sexual behaviour
Age-inappropriate sexual activity through words, play or drawing
Child who is sexually provocative or seductive with adults
Inappropriate bed-sharing arrangements at home
Severe sleep disturbances with fears, phobias, vivid dreams or nightmares, sometimes with overt or veiled sexual connotations
Eating disorders - anorexia, bulimia*

Emotional

Changes or regression in mood or behaviour, particularly where a child withdraws or becomes clinging.
Depression, aggression, extreme anxiety.
Nervousness, frozen watchfulness
Obsessions or phobias
Sudden under-achievement or lack of concentration
Inappropriate relationships with peers and/or adults
Attention-seeking behaviour
Persistent tiredness
Running away/stealing/lying

Neglect

Under nourishment, failure to grow, constant hunger, stealing or gorging food,
Untreated illnesses,
Inadequate care, etc

*These indicate the possibility that a child or young person is self-harming.
Approximately 20,000 are treated in accident and emergency departments in the UK each year.

APPENDIX 5

Effective Listening

Ensure the physical environment is welcoming, giving opportunity for the child or vulnerable adult to talk in private but making sure others are aware the conversation is taking place.

- It is especially important to allow time and space for the person to talk
- Above everything else listen without interrupting
- Be attentive and look at them whilst they are speaking
- Show acceptance of what they say (however unlikely the story may sound) by reflecting back words or short phrases they have used
- Try to remain calm, even if on the inside you are feeling something different
- Be honest and don't make promises you can't keep regarding confidentiality
- If they decide not to tell you after all, accept their decision but let them know that you are always ready to listen.
- Use language that is age appropriate and, for those with disabilities, ensure there is someone available who understands sign language, Braille etc.

HELPFUL RESPONSES

- You have done the right thing in telling
- I am glad you have told me
- I will try to help you

DON'T SAY

- Why didn't you tell anyone before?
- I can't believe it!
- Are you sure this is true?
- Why? How? When? Who? Where?
- I am shocked, don't tell anyone else
